Index to Civil Engineering

JANUARY-DECEMBER 1957, VOL. 27

Subject Index

AIRPORTS

International Airport structures ready soon 899
"Precast concrete shows 21-percent saving on air-base buildings" (Lajes Field, Azores), Marvin E. Warner, David P. Billington.... 239
Redevelopment program for La Guardia Airport 587
Slurry sealing restores airport runways..... 760
United Air Lines plans new terminal at Idlewild 666
See also Hangars

ALUMINUM

Aluminum oil drilling platform erected in Lake Maracaibo..... 829
Self-supporting aluminum roof for reservoir 63
Turntable-mounted beach house follows the sun 518

AMERICAN SOCIETY OF CIVIL ENGINEERS

Awards and Prizes

1957 winners announced..... 502
Awards and fellowships available..742, 818, 886
Daniel W. Mead Prize to be presented at Jackson 106
Freeman Fund Award raised..... 51
J. Waldo Smith Fellow completes study 51
Research prizes to be presented at Jackson Convention 108
Terrell Prize awarded at District 9 Council meeting 427
To be awarded at Annual Convention.... 734

Ballots

Tellers canvass ballots for 1958 officers 569, 740

Board of Direction

Actions at Annual Convention..... 813
Personnel of Professional Committees.... 53
What the Board did at Jackson..... 283
What the Board did at Buffalo..... 495

CIVIL ENGINEERING

Advertising office opened in Chicago..... 742
Available in microfilm..... 192
Editorial, "The best is yet to come"..... 151
Hal W. Hunt appointed Executive Editor 352
New printer for..... 50

Committees

Board confirms new ASCE committee personnel 887
Economic Advancement Committee completes task 818
Engineering Education Committee activities, R. P. Davis, chairman..... 193
Executive Committee actions briefed..... 651
Executive Committee meets at Walla Walla, Wash..... 423
New chairmen of 355

Competitive Bidding

Discussion of competitive bidding for engineering services—negative aspects, by E. J. Middlebrooks..... 419
"Incidents" decline..... 885

Conditions of Practice

ASCE adopts registration policy..... 816
Conditions of Practice Department meets in Cincinnati 652

ISSUE 1957	VOL. PAGE NUMBERS
January	**1- 72**
February	**73-150**
March	**151-238**
April	**239-310**
May	**311-386**
June	**387-456**
July	**457-534**
August	**535-606**
September	**607-690**
October	**691-774**
November	**775-842**
December	**843-918**

Constitution

Index to Constitution available..... 192

Conventions

Annual Convention, Oct. 14-18, 1957
Activities described 567, 729, 806
Program 637
Buffalo Convention, June 3-7, 1957
Activities described.....105, 107, 186, 350, 492
Program 270
Chicago Convention, Feb. 24-28, 1958..... 882
Jackson Convention, Feb. 18-21, 1957
Activities described.....49, 278, 282
Program 34
Member finds sociable spirit at Conventions 427

Honorary Members

Dr. Karl Imhoff is honored in Essen by ASCE 884
Four elected 496
Four new honorary members..... 732
Correction by Lorenzo Perez-Castro.... 878
Deceased 49, 353, 356

Insurance

Group Disability Plan offers increased benefits 107

Joint Activities

Personnel of AASHO-ASCE Joint Committee chosen 424

Junior Forums

Originated with Los Angeles Section..... 358
Discussion by Archer F. Barnard..... 566

Junior Members

Do Local Sections interest Junior Members? 44
San Francisco ASCE Junior Members report on employment conditions..... 47
"The young engineer in ASCE—a project," W. H. Wisely..... 497

Local Sections

Columbia Section host to Pacific Northwest Conference..... 425
District 10 Council meets in Chattanooga 290
Do Local Sections interest Junior Members? 44
Handbook of Local Section operations revised 46
Hawaii Section commended by Board for wallet-size Code of Ethics..... 285
Northwestern Section host to District 7 Council 746
Three Sections in Southwest meet at El Paso 822
See also "Notes from the Local Sections" *in each issue*

Manuals

No. 35 lists hydraulics translations..... 106

Membership

Are you eligible for transfer?..... 192
Proposal for classification of members by Task Committee 505

Officers

Biographies of new officers..... 729

President

Annual Address, "Time to think," Mason G. Lockwood 399
"Challenges of the future" (inaugural address), L. R. Howson..... 775
"Illusions of leisure," Mason G. Lockwood 316
Discussion by Louis A. Volse..... 565
Discussion by Francis G. Yates..... 565
Discussion by J. K. Gannett..... 565
Discussion by Lawrence W. Raymond.. 879
"Individual engineers want unity," Mason G. Lockwood..... 535
Discussion by E. Neil W. Lane..... 879
Louis R. Howson nominated..... 507
"One year later," Mason G. Lockwood... 691

PROCEEDINGS

Proceedings papers available as Separates (*See listing and order blank in each issue*)
Discussion of paper extended..... 886

Publicity

M. O. Chenoweth to head stepped-up public relations activity..... 883

Salaries and Fees

Abstract of 1957 Survey by Committee on Salaries 503
Quarterly salary index 286, 568, 740, 818, 889

Staff

Allen P. Richmond retires from staff..... 424
M. O. Chenoweth to head stepped-up public relations activity..... 883
Robert K. Lockwood promoted to Assistant to Sec'y of ASCE..... 353

Student Chapters

Award of annual certificates announced.. 425
Metropolitan Student Chapters sponsor career conference 52

Technical Divisions

Air Transport Division sponsors Jet Age Airport Conference 286, 501

Discussion suggesting a Building Construction Division by Werner H. Gumpertz 104
Discussion by Warren Raeder 345
Hydraulics Division Conference in Cambridge 192, 426
Program 489
Activities described 738
New Technical Division personnel appointed 571
Pipeline Division Committee seeks to standardize pipeline crossings 352
Structural Division cooperates in World Conference on Prestressed Concrete 650
Structural Division and ACI Joint Committee on Composite Construction activated 355
Technical Procedure Conference in Oklahoma City 422
See also "Division Doings" *in each issue*

Washington Office
ASCE representation in Washington established 883
See By-line Washington *in each issue*

AMERICAN SOCIETY FOR TESTING MATERIALS
Concrete pipe revisions proposed by 126

APPLIED MECHANICS
Deadline for papers for Applied Mechanics Congress 587

ARCHES
"Influence-line graphs for maximum moments in two-hinged arches," M. W. Huggins, A. C. Davidson 420

ASPHALT
Fabric-in-asphalt strengthens causeway slopes 670

ATOMIC ENERGY
1957 Nuclear Congress papers are available 886
1957 Nuclear Congress Proceedings for sale 568
Advance in power reactors is rapid 758
ASCE requests papers for 1958 Nuclear Congress 424
Argonne Laboratory installs training reactor 516
Army package power reactor in operation .. 440
AEC dedicates new headquarters building .. 902
AEC provides access to information 586
"Atomic power appraised—civil engineer's role in reducing costs," C. V. Roseberry .. 30
Group set up to control radioactive-waste disposal 297
Installing atomic reactor at Shippingport plant 215
Large Nuclear Congress slated for Philadelphia 50
Midwest utility group plans new type of atomic plant 304
Nuclear Congress and International Atomic Exposition, March 11-15 107
Philadelphia Nuclear Congress largest since Geneva 354
Powerful atomic test reactor completed 830
Reinforced brick school withstands atomic blast 756
Site excavated for Dresden nuclear power station 514
Ten-year supply of uranium in sight 666
See also Sewage Treatment

AUDITORIUMS
Dallas completes $8,000,000 Memorial Auditorium 827
Dallas Memorial Auditorium:
"Cantilevers support dome of 204-ft radius," Boyd G. Anderson, Allan D. Anderson 336
"Traveling dome forms reduce construction cost," H. P. Farnsworth, Jr., George J. Sullivan 339

AWARDS AND PRIZES
H. L. Ackermann wins Freeman Fellowship 818
John R. Suman wins John Fritz Medal 885
Mining engineer wins Alfred Noble Prize 49
New award for research offered by McGraw-Hill 51
Ray D. Bowerman winner of Alfred Noble Prize 887
Scott Turner wins Hoover Medal for 1957 ... 740
Washington Award to Walker L. Cisler 427
See also ASCE, Awards and Prizes, *and* Construction Industry

BEAMS
"Beam moment of inertia determined by table," John Webster Brown (Dec. 1956, p. 68), Discussions by:
Ralph M. Baumgarten 185
Anthony Hoadley 185
I. G. Grundel 185
I. T. C. Larnder 346
Rolf C. Rosenvinge 346

BLASTING
"On-shore drilling for blasting of underwater shoals," John L. Romig 796
World's largest blast demolishes Utah mountain 668

BREAKWATERS
"A floating breakwater that proved effective," Colin J. Robb 33

BRIDGES
$100,000,000 suspension bridge spans Mackinac Straits 896
Advanced features mark new Vancouver bridge 666
AISC honors nine outstanding new bridges 828
All-welded girder bridge for Redwood Highway 900
Bascule bridge in Louisiana employs nonskid grating 373
Belgian Congo Bridge connects South and East Africa 218
"Big single-leaf bascule bridge in Stockholm," Holger Lundbergh 588
Carquinez toll bridge project:
Part 1—"Record approach cut and use of slip-forms on 47 high interchange piers," Leonard C. Hollister 23
Part 2—"Caisson pier foundations and superstructure," Leonard C. Hollister 92
"Composite welded bridges for New York State Thruway," Edward J. Ramer 556
"Concrete bridge across Lake Pontchartrain completed in record time," Myers Van Buren 73
Contracts awarded for St. Lawrence Bridge 125
Designer selected for New York bridge projects 665
Discussion outlining history of truss-tied arch bridges, Louis Balog Dec. 1956, p. 831). Correction by Mr. Balog 104
"Grid Bridge Design," Louis Balog 8
Hampton Roads Bridge-Tunnel project opened 897
"Ingenuity licks bridge foundation problems on Connecticut Turnpike," A. S. Wikstrom 628
Kingston-Rhinecliff span opened to traffic 214
Long truss rolled to position over Seaway Channel 900
Missouri River bridge expedites Kansas City traffic 125
New Rio Grande Bridge utilizes original railing 298
Peace River Suspension Bridge collapses .. 898
Prestressed-concrete bridge to cross Lake Maracaibo 517
Prestressed Bridge for Manataway Creek, Pennsylvania 127
Prestressed Bridge for Manataway Creek, eight days" (over Philadelphia reservoir), James B. Long 169
"Prestressing strengthens wrought-iron bridge" (Monmouth, England), P. S. A. Berridge 540
Self-anchored suspension bridge in Baghdad 756
Throgs Neck Bridge project is started 897
Walt Whitman Bridge to open next spring 63
Walt Whitman Bridge uses record amount of aluminum 369
See also Concrete, Precast and Prestressed; Highways; Welding

BUILDINGS
"Chemicals seal foundation for New York building," Chester W. Cambell 693
Concrete courthouse saves hundreds from hurricane 668
Discussion by J. W. Gaddy 877
"Contemporary design—its effect on the construction cost of the modern office building," H. C. Turner, Jr. 1
"Eliminating structural interferences in the modern factory," Glenn O. Rusk 844
"Helicopter joins erection crew," N. O. Saulter 876
Lone Star Cement opens large Louisiana plant 902
"Mexico City's earthquake damage examined," J. H. Thornley, Pedro Albin, Jr.
Part 1 722
Part 2 801
New building for the State Department 587
New group promotes modular standards 830
New York City to have new 60-story building 63
"Prestressed wind bracing in Queen Elizabeth Hotel" (Montreal), Donald A. Chamberlain 544
Shoring for Chicago office building 592
Skyscraper center planned for Manhattan .. 299
Timber structure provides unique storage warehouse 445
See also Auditoriums, Garages, Underpinning

BUTTERFLY VALVES
"Hydraulic butterfly valves—dependability and low cost shown by survey," Ross L. Mahon 698

CANALS
House names advisers for Panama Canal study 896
Three assigned to Suez Canal clearance 62

CEMENT
Lone Star Cement opens large Louisiana plant 902
Ship handles bulk cargo pneumatically 299
Two new laboratories for Portland cement 126

COFFERDAMS
"Cofferdam problems plague Harvey Tunnel constructors," Charles L. Sloan 870

COLLECTIVE BARGAINING
Engineers and Scientists of America splits over policy 585
Engineers oppose unionization at Minneapolis-Honeywell 444

COLUMNS
Column Research Council held at Lehigh U. 508

COMPUTERS
Civil engineers put electrons to work 829
"Electronic computers speed up bridge design," John J. Kozak, Robert E. Shields 266
Correction by John J. Kozak 649

CONCRETE
Blow-pipe tool speeds concrete cutting 298
Cast-in-place shell structure bid below precast 665
"Dynamic testing of concrete evaluated," E. A. Whitehurst 863
"Extruded Concrete for bridge piers," C. M. Davis 176
"Lessons from cold-weather concrete failures," H. J. Racey 787
"Placing six million cu yd of concrete on the St. Lawrence," Hal W. Hunt 464
"Ultimate-strength design of reinforced concrete slabs," C. W. Griffin 564

CONCRETE, Precast
"Precast concrete shows 21-percent saving on air-base buildings," Marvin E. Warner, David P. Billington 239

CONCRETE, Prestressed
Experimental prestressed concrete highway is laid 586
Large prestressed girders readied for Florida project 214
"Prestressed piles and deck for highway-railroad causeway" (Pelican Is., Tex.), A. Bahn, Jr., R. S. M. Lee 717
"Pretensioned piles for Navy pier" (Long Beach, Calif.), William F. Remington 554
"Prestressed precast bridge deck erected in eight days" (over Philadelphia reservoir), James B. Long 169
"Prestressed concrete—difficulties overcome in Florida bridge practice," W. E. Dean .. 405
Texas Instruments, Inc. builds plant for thin-shell prestressed concrete construction 372
World Conference on, held in San Francisco 650

CONSTRUCTION EQUIPMENT

"A bargain in grading," R. D. Evans..... 154
Associated Equipment Distributors hold annual meeting 218
Crawler tractor pushes work on Memphis power plant 300
Giant shovel speeds coal-stripping work.... 587
Heavy machinery expedites Texas Turnpike project 667
"New tools for the road builder," R. K. Lockwood 160
"Scheduling equipment for Great Lakes channel dredging," Peter C. Hyzer, Howard E. Hill..... 470

CONSTRUCTION INDUSTRY

AGC holds midyear meeting..... 827
AGC meets in Washington..... 370
Beavers schedule second award dinner..... 63
Construction men honored at Beavers dinner 216
"Contractors will take road program in stride," Archie N. Carter..... 164
"Financial management in construction," W. C. Bloom..... 704
H. E. Foreman resigns as managing director of AGC..... 216
Moles construction awards.....218, 896
New home for the AGC..... 215
"Organization for contracts over $5,000,000," Howard G. Dixon 467
TV series to tell story of construction industry 665

CONSTRUCTION VOLUME

"Can we afford more public construction?" R. B. Warren 548
Discussion by Jackson L. Durkee..... 878
Reply by R. B. Warren..... 878
Construction to continue at record levels in 1957 66
Current activity reported..... 62, 212, 296, 368, 445, 514, 584, 754, 826, 899
Government reviews construction in 1956... 215
New construction volume for 1956..... 124

CONTRACTS

"Well written contracts encourage well built roads," A. C. Clark..... 157

CORPS OF ENGINEERS, U.S. ARMY

Many projects on Alaska construction agenda 125
Marine Division set up in Corps of Engineers 670
Two Nike sites to be built in Alaska..... 370

DAMS

California dedicates its Tri-Dam Project.. 584
"Chalk used as construction material at Gavins Point Dam," Henry A. Sikso 612
"Construction begins on Glen Canyon Dam," W. A. Dexheimer 473
Discussion by J. H. Creed..... 879
Closure by Mr. Dexheimer 879
"Construction begins on Trinity Dam 537 ft. high," Carl J. Hoffman, William E. Collins 866
Dam in the Sierra for Southern California Edison 826
"Danger of fixed flashboards shown by flood at Croton Dam," F. B. Marsh 408
Glen Canyon Dam bids opened 369
High multi-purpose dam planned for Middle East 830
Protecting concrete on Table Rock Dam..... 220
Register of large dams in U.S. in preparation 372
Rotor for Chief Joseph Dam generator 368
Thailand dedicates large irrigation dam..... 297
Discussion by Robert W. Abbett 491
"Thailand's Chao Phya Irrigation Dam," August L. Ahlf 542
Discussion by John Austin..... 878
"The Dalles diversion made with rock-fill dam," Marvin J. Webster 99
"Thin arch dams favored in Norway," C. F. Groner 246
Transactions of Fifth Congress on Large Dams available 444, 666
Trinity Dam contract let 369
Venezuela dedicates world's longest earth dam 213

DOCKS

"Mixed soils require five designs for ore dock reconstruction" (Buffalo, N. Y.), E. M. Cummings 792
"Busy ferry terminal in Manhattan rebuilt," David P. Billington, Marvin E. Warner.. 712

DOMES

Dallas Memorial Auditorium
"Cantilevers support dome of 204-ft radius," Boyd G. Anderson, Allan D. Anderson 336
"Traveling dome forms reduce construction cost," H. P. Farnsworth, Jr., G. J. Sullivan 339

DRYDOCKS

Huge Navy drydock to be built in Boston.. 297
Large drydocks to be constructed in Bahamas 220
"Busy ferry terminal in Manhattan rebuilt," David P. Billington, Marvin E. Warner.. 712

EARTHQUAKES

Earthquake damages Mexico City buildings 664
"Mexico City's earthquake damage examined," J. H. Thoruley, Pedro Albin, Jr.
Part 1 722
Part 2 801

EARTH MOVING

"A bargain in grading," R. D. Evans 154
Conveyor moves mountain for Great Salt Lake crossing 439
"Earthwork quantities for pipe trenches by nomograph," Richard A. Miller..... 277
"Great Salt Lake Crossing (symposium)—$49,000,000 project for Southern Pacific," W. M. Jaekle 850

EDUCATION

Discussion on students' need for thorough preparation, Enoch R. Needles 104
EJC issues survey of engineering faculties ... 50
"Four-year engineering curricula not sufficient," Samuel B. Folk..... 87
Discussion by K. S. Anderson 184
Closure by S. B. Folk..... 345
"Getting more students into engineering," M. J. Shelton 655
India receives grant for training engineers .. 587
Refresher courses for ASCE members 192
See also Awards and Prizes, Engineers Council for Professional Development, *and department*, "New in Education"

EMPLOYMENT

Appointment to ESPS Board..... 352
"Does the large engineering office present special challenges to employer and employee?" (symposium)
"Viewpoint of an employee in a private organization," C. W. Griffin, Jr. 96
"Viewpoint of an employer in a private organizaion," J. D. Carpenter..... 98
Discussion by E. L. Christiansen.... 345
Employment restriction withdrawn by BPR. 568
"How to recruit graduating engineers," symposium:
"From the viewpoint of a consulting engineer," Wayne F. Palmer..... 632
"From the viewpoint of an industry," Roy T. Sessums 633
"From the viewpoint of a state highway department," Rex M. Whitton..... 634
"From the viewpoint of the Corps of Engineers," S. R. Hanmer..... 635
"Responsibilities of the engineer employer," Harry Wiersema (Oct. 1956)
Discussion by Charles P. Smith 33
Answer by Mason G. Lockwood 33
San Francisco ASCE Junior Members report on employment conditions"..... 47
See also department, "Positions Announced," and Engineering Societies Personnel Service, Inc., in each issue

ENGINEERING FOUNDATION

Column Research Council held at Lehigh U. 508
Engineering Foundation grants go to twenty-eight projects..... 569

ENGINEERING MANPOWER

"Getting more students into engineering," M. J. Shelton..... 655
Hungarian refugees with professional training 213
"Scholarships for highway engineers," John R. Dietz..... 607
See also Engineers Joint Council

ENGINEERING SOCIETIES CENTER

Foreign societies asked to share Engineering Center 742
New United Engineering Center under way.. 880
New York site selected for..... 653

ENGINEERING SOCIETIES LIBRARY

Increased use reported..... 188

ENGINEERS AND ENGINEERING

"Civil engineers can write—history says so," Walter James Miller (Dec. 1956)
Discussion by Karl W. Lemcke 419
"Horizons in engineering," D. B. Steinman. 843

ENGINEERS COUNCIL FOR PROFESSIONAL DEVELOPMENT

ECPD annual meeting reported..... 45
EJC and ECPD sponsor joint assembly..... 885
EJC-ECPD survey of profession slated 653

ENGINEERS JOINT COUNCIL

"Engineering Manpower Commission Report—1956," Gail A. Hathaway..... 48
EJC and ECPD sponsor joint assembly..... 885
EJC-ECPD survey of profession slated..... 653
EJC General Assembly set for New York City 49
EJC holds its third general assembly 187
EJC issues survey of engineering faculties... 50
EJC reports on professional income..... 188
Joseph Barker, M. ASCE, becomes president 47
Principles of a sound national water policy—a restatement (1957 Report)..... 330
Discussion by Harry O. Locher..... 649
Publications available 571

FINANCING

"Financial management in construction," W. C. Bloom..... 704

FLOOD CONTROL

See TVA

FOREIGN ENGINEERING

"Auto manufacturing plant built in Argentina," Wright M. Price..... 89
Belgium plans $3 billion power project on Congo 898
Brazil pushes plans for new capital 438
Havana Bay Tunnel nears completion..... 899
High multi-purpose dam planned for Middle East 830
"India—a challenge to the sanitary engineer," Alfred C. Ingersoll..... 484
India receives grant for training engineers... 587
New Andes power project to supply Peru refinery 371
"New Colombian Railroad connects capital with Atlantic Ocean," Elmer B. Isaak 318
"Pipeliners span the desert" (Middle East), George D. Hartley 394
Thailand to construct $100 million power dam 584
"Thin arch dams favored in Norway," C. F. Groner 246
"Unique dam completed with South America's largest construction plant" (Brazil), R. Olafsen, John F. Pett..... 414
Venezuela to build tunnel to the sea 668
Venezuela to have "big-inch" oil line..... 124

FOUNDATIONS

"Chemicals seal foundation for New York building," Chester W. Cambell 693

GARAGES

New York has its first automatic parking garage 758
"South's largest ramp-type parking garage completed" (Houston), Robert O. Grimes 82

GROUND WATER

Ground-water recharging at Amarillo successful 755
Salt-water encroachment in Dade County, Florida 125

HANGARS

"Cables for cable-suspended hangar roof," symposium
"Pan American Airways hangar" (New York), Charles J. Prokop..... 706
"Trans World Airlines hangar" (New York), E. P. Littlejohn..... 710

HELICOPTERS

"Helicopter joins erection crew," N. O. Saulter 876

HIGHWAYS

ABRA annual convention and Road Show 213
"Adequate highways for America," R. M. Whitton 5
Bertram Tallamy takes top federal highway post 218

Chicago Road Show, Jan. 28-Feb. 2..... 64
FHA seeks data on inverted crown street drainage 216
"Highway signs for the interstate system," A. E. Johnson 251
Loan to Nicaragua for Inter-American Highway 126
"New role of the right-of-way agent—key to highway challenge," Frank C. Balfour 167
Panama receives loan for Inter-American Highway 588
Pan-American Highway Congress in Panama 665
"Placing of select subgrade materials—heart of the highway," J. D. Welch 172
"Unconventional four-level interchange—New Orleans," Shu-t'ien Li..... 559
"Well written contracts encourage well built roads," A. C. Clark 157
See also Bridges, Pavements, Photogrammetry, Road Tests, Toll Roads, Tunnels

HIGHWAYS, Act of 1956

"Contractors will take road program in stride," Archie N. Carter..... 164
Employment of consultants in Federal-Aid Program 212
Discussion by Paul E. Lee..... 419
"Scholarships for highway engineers," John R. Dietz..... 607
"The grand challenge," Bertram D. Tallamy 152
Discussion by R. E. Smith 648

HISTORY OF ENGINEERING

"The engineer through the ages," J. Kip Finch
Egypt, Part 1 79
Part 2 180
Master Builders of Mesopotamia 256
The Greek Architekton, Part 1..... 342
Part 2 401
Part 3 478
Roman Builders of the Republic, Part 1 551
Part 2 615
Roman Empire, Part 1..... 720
Part 2 798
Part 3 836

HOUSING

February housing starts at lowest since 1949 372
Fewer dwelling units started last year..... 298
Housing down in August..... 755

HURRICANES

Concrete courthouse withstands 668
Discussion by J. W. Gaddy 877

HYDRAULICS

Hydraulics conference at M.I.T. 356, 738

HYDROELECTRIC POWER

Canada installs more hydro plants..... 130
New Andes power project to supply Peru refinery 371

INSTRUMENTS

Measuring small angles..... 757

IRON

Iron ore imports set record in 1956 369

IRRIGATION

First Intersociety Conference on irrigation and drainage and Third Congress of International Commission on Irrigation and Drainage, in San Francisco..... 285
Intersociety meeting on irrigation and drainage 188
"Thailand's Chao Phya Irrigation Dam," August L. Ahlf..... 542

LABORATORIES

New research laboratory for Allis-Chalmers Co. 756

LOCKS

"Vertical-lift gate guards Long Sault Canal," Stanley B. Hunt 392

MARINE BORERS

Research program combats marine boring organisms 588

MEETINGS AND CONFERENCES

Proceedings of the Third Europe-United States Engineering Conference may be purchased 742

NAVIGATION

See St. Lawrence Seaway, TVA, Waterways

NIAGARA FALLS

"Gated structure controls Niagara flow," Otto Holden, J. L. Soare..... 536
Niagara Falls remedial works program dedicated 826

NOMOGRAPHS

"Earthwork quantities for pipe trenches by nomograph," Richard A. Miller..... 277

PANAMA CANAL

See Canals

PAVEMENTS

Continuous reinforced concrete highway laid 518
Experimental prestressed concrete highway 586
Fabric-in-asphalt used for resurfacing bus stop 68
Pennsylvania lays continuously reinforced concrete highway 128
See also Highways

PETROLEUM INDUSTRY

Aluminum oil drilling platform erected in Lake Maracaibo 829

PHOTOGRAMMETRY

"Method for photogrammetric map checking," Robert S. Brandt, Harvey F. Ludwig 590
"More photogrammetric research needed," Charles L. Miller..... 387
"Photogrammetry for the highway engineer," A. O. Quinn 388

PIERS

"Extruded concrete for bridge piers," C. M. Davis 176
Four-berth pier to be built in Brooklyn..... 756
Manhattan waterfront to have $18,723,000 pier 827

PILING

"Empirical formula for predicting pile bearing capacity," Marvin Gates..... 183
Discussion by Rolf C. Vold..... 566
"Pretensioned piles for Navy pier," William F. Remington 554

PIPE

Concrete pipe revision proposed by ASTM.. 126
Role of concrete pipe in highway and sewerage expansion studied 441

PIPELINES

72-mile pipeline carries ore from mine to refinery 517
Pipeline Division Committee seeks to standardize pipeline crossings 352
"Pipeliners span the desert (Middle East)," George D. Hartley..... 394

PORT AND MARITIME STRUCTURES

"Busy ferry terminal in Manhattan rebuilt," David P. Billington, Marvin E. Warner... 712

POWER

Aluminum Company builds underground powerhouse in Quebec 755
Belgium plans $3-billion power project on Congo 898
Public power test on Hell's Canyon rejected 368
Transactions of Belgrade Power Conference available 898
See also Atomic Energy, Hydroelectric Power, St. Lawrence Seaway and Power Project, TVA

PROFESSIONAL ADVANCEMENT

"Horizons in engineering," D. B. Steinman. 843
"Needed—engineers in public office," George D. Clyde 457
"The camel matriculates," William Roy Glidden 244
See also ASCE, Presidents, Engineers and Engineering, Engineers Council for Professional Development, Engineers Joint Council

PUBLIC HEALTH

Traineeships announced by U. S. Public Health Service 832

PUBLIC WORKS

Chicago to have record public improvement program 588
Need for billions in public works is cited ... 68
Public works projects voted $858 million.... 667

PUMPS AND PUMPING

Layne & Bowler, Inc., celebrates 75th anniversary 373
Turbulence studies to reduce Detroit water costs 590

PUZZLES AND PROBLEMS

See "N. G. Neare's Column" in each issue

RADAR

Aleutians to have radar warning system..... 518

RAILROADS

"Great Salt Lake Crossing (symposium)
"New sampler speeds design of 31,000,000-cu yd fill," H. V. Anderson..... 846
"$49,000,000 project for Southern Pacific," W. M. Jaekle 850
"New Colombian Railroad connects capital with Atlantic Ocean," Elmer B. Isaak 318

REFUSE DISPOSAL

Disposal of solid waste studied on national scale 371
"Landfill gas burned for odor control," Walter L. Dunn 790

REGISTRATION OF ENGINEERS

Canal Zone governor receives registration certificate 108
Fifty years of engineering registration..... 302
First sanitary engineer certified by new Board 51
"Registration—first step toward professional recognition," Newell L. Freeman 859

RESERVOIRS

Self-supporting aluminum roof for reservoir. 63
See also Dams

RIVERS

Ground broken for California's Feather River Project 517
Reprints of multiple-purpose river development symposium available 282
See also St. Lawrence, TVA

ROAD TESTS

"Embankment construction control on AASHO Road Test," W. N. Carey, Jr. .. 482
Paving bid for AASHO Road Test rejected. 517

ROOFS

New 150-ft-wide steel roof supports itself... 757
See also Auditoriums, Buildings

ST. LAWRENCE SEAWAY AND POWER PROJECT

Ground broken for Great Lakes deepening project 438
Long truss rolled to position over Seaway Channel 900
"Placing six million cu yd of concrete on the St. Lawrence," Hal W. Hunt 464
"St. Lawrence Project—planning and construction progress," Lawrence H. Burpee, A. F. Griffin, L. W. Angell..... 458
"Scheduling equipment for Great Lakes channel dredging," Peter C. Hyzer, Howard E. Hill 470
"Vertical-lift gate guards Long Sault Canal," Stanley B. Hunt 392

SALARIES AND FEES

EJC reports on professional income..... 188
Serious lag in sanitation salaries reported... 216
The good old days 654
See also ASCE Salaries and Fees

SANITARY ENGINEERING

"India—a challenge to the sanitary engineers," Alfred C. Ingersoll..... 484
See also Atomic Energy, Sewage Treatment, Sewage Works, Sewers

SATELLITE

"Earth satellite has magnesium shell," James S. Kirkpatrick..... 26
Stand ready for launching earth satellite.... 754

SCREENS

"Fine screen designed for river water," Max Suter 488

"SEVEN WONDERS"

Seven Wonders Calendar available..... 108

SEWAGE TREATMENT

Chicago to test new method..... 299
Designs for Los Angeles Treatment Plant completed 214
"Is sterilization of sewage by irradiation economical?" David L. Narver, Jr..... 618
"Los Angeles enlarges its sewage facilities," David L. Narver, Jr., E. H. Graham, Jr.
Part 1, Long land outfall built through Baldwin Hills 782
Part 2, Hyperion Plant expanded to 420 mgd..... 856
"Miami high-rate activated sludge plant in operation," E. Sherman Chase, John S. Bethel, Jr.
Part 1 260
Part 2 322
Two sewage outfalls for Hyperion Treatment Plant 585

SEWERS

"Los Angeles enlarges its sewage facilities," Part 1, Long land outfall built through Baldwin Hills, David L. Narver, Jr., E. H. Graham, Jr. 782

SOCIETIES OF ENGINEERS

AICE officers for 1957..... 215
AIME names new officers..... 68
AIME reorganized as three societies 371
Annual meeting of EIC..... 757
Assistant Secretary of AIME retires..... 439
Center for Cleveland engineering societies... 664
E. H. Robie retires as Secretary Emeritus of AIME 62
Intersociety Sanitary Engineering Board meets 356
James N. Landis new ASME president 758
Joint honors awarded at AIME annual meeting 356
New officers installed at ASME annual meeting 63
New secretary for ASME 585
President Whitaker of Institution of Civil Engineers entertained in New York..... 353
Richard Johnson new president of Moles..... 444
See also ASCE

SOIL MECHANICS

"Great Salt Lake Crossing (symposium)—New sampler speeds design of 31,000,000-cu yd fill," H. V. Anderson..... 846
"Piers supported by passive earth pressure," Noble G. Robbins..... 276
"Soil moisture content quickly found," Milton E. Bender, Jr. 728

SPECIFICATIONS

Discussion by Stuart S. Neff stresses value 566

STEEL

Kaiser Steel plans increase in capacity 373
"Prestressing strengthens wrought-iron bridge," P. S. A. Berridge 540
Production of structural shapes and steel plates 667
Steel companies to spend $1.7 billion..... 218
Steel production sets records 297, 438, 592, 666, 737, 828, 897

STREAM POLLUTION CONTROL

U. S. Public Health Service initiates works in U. S. Possessions 373

STRUCTURAL ENGINEERING

Armour Institute sponsors structural design conference 832
"Developing intuition in structural design," Bruce G. Johnston..... 781
"Eliminating structural interferences in the modern factory," Glenn O. Rusk..... 844
"Grid Bridge Design," Louis Balog..... 8
"Influence diagrams for statically determinate structures," Ralph L. Barnett..... 727
"Influence-line graphs for maximum moments in two-hinged arches," M. W. Huggins, A. C. Davidson 420
Joint Committee on composite construction activated 355
"Plastic design of warehouse saves steel," Edward R. Estes, Jr..... 608
"Ultimate-strength design of reinforced concrete slabs," C. W. Griffin..... 564

SURVEYING AND MAPPING

Cuba to be mapped by air 62
Interim Report of Task Committee on Status of Surveying and Mapping, Brother B. Austin Barry, Alfred O. Quinn, George D. Whitmore 189
"Laying out true meridians in defense plants," Henry F. Soehngen 328
Discussion by Lansing G. Simmons 491
Author's reply 491
"Nomograph solves superelevation equation," Lyndon C. Allen 877
See also Photogrammetry

SWIMMING POOLS

Packaged prestressed swimming pools 220

TANKS, Elevated

"Elevated water tank defies tornado," Clarence D. Miller..... 874

TELEVISION

TV program for engineers 518

TENNESSEE VALLEY AUTHORITY

"Navigation, flood control power—TVA develops its rivers," Reed A. Elliot 14

TIRE-TESTING GROUND

Tire-testing ground to be built in Texas..... 757

TOLL ROADS

"Composite welded bridges for New York State Thruway," Edward J. Ramer 556
Connecticut Turnpike, symposium:
"In big push for completion," N. E. Argraves 620
"Construction in New Haven area," H. L. Blakeslee 624
"Ingenuity licks bridge foundation problems on Connecticut Turnpike," A. S. Wikstrom 628
"Cooperation among engineers builds New York Thruway," C. H. Lang..... 854
Massachusetts Turnpike opened 516
Oklahoma completes second turnpike..... 585
See also Highways

TRUCKS AND TRUCKING

Half a century of building trucks..... 370
Trailer truck expands to five times its normal size 130

TUNNELS

"Cofferdam problems plague Harvey Tunnel constructors," Charles L. Sloan..... 870
"Engineering variety in Baltimore Tunnel approach," William F. Neale, W. F. Hallstead 777
Hampton Roads Bridge-Tunnel project opened 897
Harvey Canal Tunnel is opened to traffic... 667
Havana Bay Tunnel nears completion..... 899
Lincoln Tunnel Expressway to expedite N. Y. traffic 300
Third tube of Lincoln Tunnel is open..... 438
Venezuela to build tunnel to the sea 668

UNDERGROUND STRUCTURES

"Underground warehouse excavated in granite," C. D. Zernichow, H. Moyner..... 18

UNDERPINNING

Jacks keep bank vault from sinking on West Coast bank project..... 66
"Prestressed sheetpile underpinning," W. F. Swiger 410

U. S. AIR FORCE

West Coast training base for Air Force..... 298

U. S. ARMY

Offers commissions to qualified engineers.... 127

U. S. BUREAU OF PUBLIC ROADS

Employment of consultants..... 212
Employment restriction withdrawn by BPR 568

U.S. BUREAU OF RECLAMATION

Engineers honored by..... 668

WAREHOUSES

"Plastic design of warehouse saves steel," Edward R. Estes, Jr..... 608
"Underground warehouse excavated in granite," C. D. Zernichow, H. Moyner..... 18

WATER SUPPLY

High rate of water use in Delaware basin... 300
Paraguay to have modern water system 214
Principles of a sound national water policy—a restatement (1957 report of EJC Board of Review) 330
Discussion by Harry O. Locher..... 649
Southern California builds for more water.. 439

WATER TREATMENT

"Rapid sand filters replace 50-year-old equipment at Philadelphia's Torresdale Water Plant," S. S. Baxter, M. G. Mansfield 311
Symposium on saline water conversion slated 516

WATERWAYS

Great Lakes connecting channel to be deepened 62
See also St. Lawrence Seaway and Power Project, TVA

WATER WORKS

AWWA chooses new officers 300
AWWA establishes new scholarships..... 127
AWWA holds 77th annual conference 515
AWWA safety awards honor Wendell Ladue 299

WELDING

All-welded girder bridge for Redwood Highway 900
Awards offered for welded bridge designs ... 372
"Composite welded bridges for New York State Thruway," Edward J. Ramer..... 556
New field technique speeds bridge erection on Florida Turnpike..... 128

WIND BRACING

"Prestressed wind bracing in Queen Elizabeth Hotel (Montreal)," Donald A. Chamberlain 544

Name Index

ACKERMANN, H. L.

Wins Freeman Fellowship..... 818

AHLF, AUGUST L.

"Thailand's Chao Phya Irrigation Dam"... 542

ALBIN, PEDRO, JR.

"Mexico City's earthquake damage examined," J. H. Thornley, co-author
Part 1 722
Part 2 801

ALLEN, LYNDON C.

"Nomograph solves superelevation equation" 877

ANDERSON, ALLAN D.

"Cantilevers support dome of 204-ft radius" (Dallas Memorial Auditorium), Boyd G. Anderson, co-author..... 336

ANDERSON, BOYD G.

"Cantilevers support dome of 204-ft radius" (Dallas Memorial Auditorium), Allan D. Anderson, co-author 336

ANDERSON, H. V.

"Great Salt Lake railroad crossing (symposium)—Sampler speeds design of 31 million cu yd fill"..... 846

ANDERSON, K. S.

Discussion of "Four-year curricula not sufficient," Samuel B. Folk, Feb. '57..... 184

ANGELL, L. W.

"St. Lawrence Project—planning and construction progress," Lawrence H. Burpee, A. F. Griffin, co-authors..... 458

ARGRAVES, N. E.
"Connecticut Turnpike in big push for completion" 620

AUSTIN, JOHN
Discussion of "Thailand's Chao Phya Irrigation Dam," August L. Ahlf, Aug. '57.. 878

BAHN, A., Jr.
"Prestressed piles and deck for highway-railroad causeway" (Pelican Island, Texas), R. S. M. Lee, co-author..... 717

BALFOUR, FRANK C.
"New role of the right-of-way agent—key to the highway challenge"..... 167

BALOG, LOUIS
Correction for discussion on history of truss-tied arch bridge (Dec. 1956, p. 831) 104
"Grid bridge design"..... 8

BARNETT, RALPH L.
"Influence diagrams for statically determinate structures" 727

BARRY, BROTHER AUSTIN B.
Interim Report of Task Committee on Status of Surveying and Mapping..... 189

BAUMGARTEN, RALPH M.
Discussion of "Beam moment of inertia determined by table," John Webster Brown, Dec. '56 185

BAXTER, S. S.
"Rapid sand filters replace 50-year-old equipment at Philadelphia's water plant," M. Mansfield, co-author..... 311

BENDER, MILTON E., Jr.
"Soil moisture content quickly found"..... 728

BERRIDGE, P. S. A.
"Prestressing strengthens wrought-iron bridge" (Monmouth, England)..... 540

BETHEL, JOHN S., JR
"Miami high-rate activated sludge plant in operation," E. Sherman Chase, co-author
Part 1 260
Part 2 322

BILLINGTON, DAVID P.
"Busy ferry terminal in Manhattan rebuilt," Marvin E. Warner, co-author..... 712

BILLINGTON, DAVID P.
"Precast concrete shows 21 percent saving on air-base buildings" (Azores), Marvin E. Warner, co-author..... 239

BLAKESLEE, H. L.
"Connecticut Turnpike construction in New Haven area" 624

BLOOM, W. C.
"Financial management in construction"... 704

BOWERMAN, RAY D.
Winner of Alfred Noble Prize..... 887

BRANDT, ROBERT S.
"Method for photogrammetric map checking," Harvey F. Ludwig, co-author..... 590

BURPEE, LAWRENCE H.
"St. Lawrence Project—planning and construction progress," A. F. Griffin, L. W. Angell, co-authors..... 458

CAMBELL, CHESTER W.
"Chemicals seal foundation for New York building"..... 693

CAREY, W. N., Jr.
"Embankment construction control on AASHO Road Test"..... 482

CARPENTER, J. D.
"Viewpoint of an employer in a private organization," in symposium, "Does the large engineering office present special challenges to employer and employee?" 98

CARTER, ARCHIE, N.
"Contractors will take road program in stride" 164

CHAMBERLAIN, DONALD A.
"Prestressed wind bracing in Queen Elizabeth Hotel" (Montreal)..... 544

CHASE, E. SHERMAN
"Miami high-rate activated sludge plant in operation," John S. Bethel, Jr., co-author
Part 1 260
Part 2 322

CHENOWETH, M. O.
To head ASCE public relations department 883

CLARK, A. C.
"Well written contracts encourage well built roads" 157

CLYDE, GEORGE D.
"Needed—engineers in public office"..... 457

COLIN, J. ROBB
"A floating breakwater that proved effective" (Ireland)..... 33

COLLINS, WILLIAM E.
"Construction begins on Trinity Dam 537 ft high," Carl J. Hoffman, co-author..... 866

CONNOLLY, PETER
Receives Moles' award..... 896

CREED, J. H.
Discussion of "Construction begins on Glen Canyon Dam," W. A. Dexheimer, July '57 879

CUMMINGS, E. M.
"Mixed soils complicate ore-dock reconstruction" (Buffalo, N. Y.)..... 792

DAVIDSON, A. C.
"Influence-line graphs for maximum moments in two-hinged arches," M. W. Huggins, co-author 420

DAVIS, C. M.
"Extruded concrete for bridge piers" (Pecos River, Tex.)..... 176

DAVIS, R. P.
Activities of Committee on Engineering Education 193

DEAN, W. E.
"Prestressed concrete—difficulties overcome in Florida bridge practice"..... 405

DEXHEIMER, W. A.
"Construction begins on Glen Canyon Dam" 473
Discussion by J. H. Creed..... 879
Closure by Mr. Dexheimer..... 879

DIETZ, JOHN R.
"Scholarships for highway engineers"..... 607

DIXON, HOWARD G.
"Organization for contracts over $5,000,000" 467

DONALDSON, FRANCIS
Receives Moles' award..... 896

DUNN, WALTER L.
"Landfill gas burned for odor control" (Seattle, Wash.) 790

DURKEE, JACKSON L.
Discussion of "Can we afford more public construction?" R. B. Warren, Aug. '57... 878
